

**PROFESSIONAL INVENTORY SERVICES
FOR LANDLORDS, AGENTS, TENANTS
AND RELOCATIONS**

WHY USE A **PROFESSIONAL** INVENTORY SERVICE?

An expert independent inventory check is vital to avoid unnecessary costs and legal disputes, and make every party in a rental aware of its responsibilities.

At Miller Inventory Services we:

- Are able to advise on what is needed in an inventory to provide that protection and why relying on photographs is not sufficient,
- Produce timely inventories and reports that fully reflect the items and condition of the property,
- Meet the highest professional standards,
- Are flexible regarding appointments to meet your needs,
- Retain documents on-line; accessible 24/7 to registered clients,
- Provide an on-line booking system for easy use.

WHO ARE MILLER INVENTORIES?

- We are a privately owned inventory practice, established in 1994,
- We provide a personal, professional and competitive service in and around London and the Home Counties,
- Our Clerks are fully trained. They are kept up to date with latest changes and best practices through our internal workshops and CPD,
- All our business is conducted in a professional manner, in accordance with AIIIC and APIP Codes of Practice,
- We provide a professional, reliable and cost effective inventory service for letting agents, landlords, relocation agents and tenants.
